P. C.

The grievance of the petitioner in this case is that the occupancy certificates are being granted by respondents no.2 to respondent nos. 3 and 4 without following the rules as applicable. A compliance report was called for by the Court which indicates that the revised plans approved by the South Goa Planning and Development

Authority, have been approved by the Margao Municipal Council. Respondent no.5 is still examining the sewerage, drainage, development of road widening area, etc. Learned counsel for respondent no.5 states that this aspect will be considered within a period of six weeks from today. Once this formality is completed, respondent no.2 shall issue occupancy certificate in accordance with the law and rules applicable.

Petition disposed of.
